### PRESIDENTS Message

Welcome to the first issue of the TARC Communicator for 2026. I want to introduce myself as your new president for 2026. Most of you know me as Barry N4NMF XYL. I have been a Ham for 34 years. I was first licensed in Massachusetts with call sign N1JCK in 1991 and changed my call sign to N4DCK in 2017 when we relocated to Florida. I have been a successful business owner for more than 35 years. I have a great family, a daughter, son, daughter-in-law and most importantly and my heart is my 14 month old granddaughter. She is my heart!

It has been years since my last experience with Microsoft Publisher, so this first newsletter has been a real challenge. I made the font type larger and easier for me to read. Please let me know if you want me to add anything to the format or news section. Newsletter submissions can be emailed to me Diane.N4DCK@gmail.com or via FB Messenger—send me a friend request!

The club officially became a 501c3 federal tax-exempt nonprofit organization on October 1, 2025. With this change comes greater responsibility to the amateur radio community and to live up to our Mission and Purpose. Our club must operate exclusively for our tax exempt purpose. This will mean some new rules we need to follow, the FUN will never end!

*Diane N4DCK*

### Mark your calendars!

January 24th – 25th, 2026, marks the return of Winter Field Day (WFD), and we're aiming for our biggest participation yet. Whether you're a seasoned operator or new to the hobby, WFD is an incredible opportunity to hone skills, build camaraderie, and demonstrate the vital role amateur radio plays in emergency communications.

Reach out to Greg KK4LWB to volunteer or just come out to visit! Bring the family!

### What is Winter Field Day?

Winter Field Day isn't a contest – it's an operating event. The goal is simple: prove we can communicate effectively in challenging conditions like short days, freezing temperatures, and unpredictable weather. This year, we are setting up at Tom (KN5GLO) and Sally's (KN4HPX) residence (4445 Aurantia Rd, Mims, FL 32754) for an unforgettable weekend of radio and friendship.

### Why Participate?

This event isn't just about logging QSOs; it's a fantastic learning experience. Winter throws unique obstacles our way – short days, cold temperatures, and unpredictable weather. Successfully operating under these conditions builds confidence and prepares us for real-world emergency scenarios. It's also a great chance to test new equipment, experiment with different antenna configurations, and meet fellow hams!

### Annual Christmas Party

Our **Annual Christmas Party** at **Dixie Crossroads** on **Thursday December 11<sup>th</sup>** was a wonderful time. There was a lot of conversation, the food was delicious, the service was very good and both the Charity Drive for Felines and the Non-Perishable Food Drive were a great success. We also enjoyed a fun time with our Yankee gift swap. Thank you to all that helped with the coordination, setup and participation this year.

Thank you for your support to our organization we are thankful for your support!  
*Shirley Cristofol*  
 Thank you for your loving support!  
*K-E*  
 We are so grateful! Thank you for helping us help them! *♥*  
 Your generosity is so appreciated! *♥*  
*Rachel Cristofol*

A special thanks to all of you for your kindness and generosity.  
*Sally Lynn Cristofol*
